Part VII

Standards for Embalming and Refrigeration

18VAC65-20-510. Embalming ~~report~~.

A. In accordance with the provisions of subdivision 26 of § 54.1-2806 and subsection B of § 54.1-2811.1 of the Code of Virginia, express permission by a next of kin for embalming means written authorization to embalm as a specific and separate statement on a document or contract provided by the funeral establishment. Express permission may include direct, verbal authorization to embalm, provided it is followed as soon as possible by a written document or statement signed by the next of kin confirming the verbal authorization to embalm and including the time, date, and name of the person who gave verbal authorization.

B. Every funeral establishment shall record and maintain a separate, identifiable report for each embalming procedure conducted, which shall at a minimum include the following information:

1. The name of the deceased and the date of death;
2. The date and location of the embalming;
3. The name and signature of the embalmer and the Virginia license number of the embalmer; and
4. If the embalming was performed by a funeral service intern, the name and signature of the supervisor.

18VAC65-20-581. Refrigeration requirements.

A. If a dead human body is to be in the possession of a funeral establishment or crematory for more than 48 hours from the time the funeral establishment or crematory takes physical possession of the body until embalming, cremation, or burial, the body shall be placed and maintained in refrigeration in a mechanical refrigeration unit suitable for storing human remains in accordance with subsection B of § 54.1-2811.1 of the Code of Virginia.

B. The mechanical refrigeration unit may be located in the funeral establishment or crematory, or the funeral establishment or crematory may enter into an agreement or contract with another funeral establishment, crematory, or other licensed entity for refrigeration in a mechanical refrigeration unit.

C. Evidence of compliance with the requirement for refrigeration shall be maintained as a log entry or other documentation indicating times of placement in and removal of a body in refrigeration.
